Mr. John J. Collier,
1520 Spruce St.,
Philadelphia, Pa.

Dear Sir:

My time was so thoroughly taken up while in New York this week caused by the holiday Monday etc. tjat I was forced to use a midnight train out of New York for Washington therefore could not stop over in Philadelphia as advised, however I will be up East again in the next couple of months and will do my best to drop by and make your personal acquaintance.

With sincere regards, I remain

Sincerely,
